

LOVING
CHOICES
PREGNANCY CENTERS

Dear Covenant Presbyterian Church PCA,

We are so grateful for your support of our ministry. Covenant Presbyterian Church PCA raised \$5,621.13 during our Baby Bottle campaign.

Covid 19 has changed the way we live in 2020 and as a result our Annual Fundraising Banquet has gone virtual. On Thursday, October 29th we will have a short ONLINE VIRTUAL EVENT. We will still celebrate what God is doing through Loving Choices. Our Executive Director, Dana Schwiethale, will give a ministry update, you will get a chance to hear client stories, and Judge Joseph Wood will share some of his testimony.

Now more than ever, everyone needs to know about the love, support and services we provide. Counseling women and men before they decide to permanently solve a "problem" with an abortion makes all the difference.

While hosting a traditional table is not possible this year, we are encouraging people to host Watch Parties. I will send out more detailed information concerning the Watch Parties soon. Please contact me with any questions. Help Loving Choices Save Babies, Change Lives and Empower Families.

Blessings,

Penny Stamile
